

## LEASE OF A RACEHORSE

### GENERAL INFORMATION & INSTRUCTIONS

A Lease is a legally binding contractual agreement between two parties – the Lessor and the Lessee. The Lessor is the owner of the horse in question and the Lessee is taking contractual rights from the Lessor to race the horse subject to the attached Terms & Conditions.

Points to remember:

- As this Lease is a legal contract between the parties concerned should any disagreements arise legal advice must be obtained.
- Insurance of the horse is the responsibility of the Owner (Lessor).
- Please ensure that all details are correct and the form is completed in full. **Any changes to address or other details must be reported immediately to the Registrar of Racehorses.**
- The horse must not be entered for a race until the Lease is endorsed by the Registrar of Racehorses, Queensland Racing.
- The Document of Description or Thoroughbred Identification Card IS NOT required to process this Lease. These should remain with the horse at all times.
- **Queensland Racing WILL NOT accept a Lease for a term longer than 3 years.**
- If there is any change to the ownership – whether to the Lessors or to the Lessees – after this Lease agreement has been lodged, then the current Lease must be cancelled and a new Lease agreement completed.

## LEASE DISPUTES

Queensland Racing receives numerous requests for advice in relation to disputes arising out of the leasing of racehorses. Disputes generally arise from the addition of special clauses to the standard lease and it is clear that these special clauses are often added to the lease without any real thought being given to the meaning and consequences of those clauses. Queensland Racing will not take sides in any such disputes and as their resolution through the Courts can often be an expensive and not always satisfactory procedure, the Board urges everyone involved in leasing of a horse to consider carefully the implications of any special clauses before they are inserted in the standard lease agreement. The existing forms make it clear that Queensland Racing accepts no responsibility for the due observance or non observance of the lease arrangements and if there are any disputes, Queensland Racing only has limited powers to intervene. Accordingly, Queensland Racing urges everyone concerned to give more consideration in future to the wording and consequences of any of these clauses. It may be appropriate to provide, in case a dispute should arise, that the matter should first be referred to arbitration by a neutral person to be agreed upon in advance. Such provision should be incorporated in the lease itself or in a letter of agreement. In that event there should be provision as to the costs of the arbitration and whether either party is entitled to legal representation. Other problem areas arise in relation to the desire of many owners to nominate the trainer by whom a particular horse is to be trained and where and when it is to be spelled, etc. Here again Queensland Racing urges everyone concerned to take far more care about these matters and to agree on all these matters in advance so that no misunderstandings arise later when it is often very difficult to do anything about them.

## APPOINTMENT OF REPRESENTATIVE (OR RACING MANAGER)

AR 1. "Manager" means the first-named person in the Certificate of Registration, Document of Description of Transfer or Lease (if leased) of a horse or if the horse is owned or leased by a Syndicate, the person first-named in the Certificate of Registration of the Syndicate, subject always to the provisions of AR 57 (1). If the horse is owned or leased by more than one Syndicate, the first-named person appearing in the Certificate of Registration of the first-named Syndicate shall be deemed to be the Manager.

AR 57. (1) The Manager may be removed or replaced by a memorandum signed by the joint owners or lessees or Syndicate members representing a majority interest in the horse. (2) The Manager of a horse shall, alone of the joint owners, lessees or Syndicate members be entitled to: (a) enter, nominate, accept or scratch such horse for any race; (b) engage a jockey to ride such horse for any race; (c) received any prizemoney or trophy won by such horse; or (d) act for and represent the joint owners, lessees or Syndicate members in relation to the horse in all respects for the purpose of these Rules. (3) The entry or nomination of every such horse for any race shall state thereon the name of the Manager. (4) The trainer of any such horse who enters, nominates, accepts or scratches such horse shall be deemed to have done so with the authority of the Manager and all the other nominators.

## PERSONAL INFORMATION

To assist in making ownership determinations, the Registrar must assess the fitness and propriety of each applicant. This assessment requires the collection of sensitive information. In order to protect each individual's privacy certain necessary information has not been requested on the application form, however, all applicants must read the following questions.

- 1 In the past 10 years, have you been convicted of, or is there a pending charge against you, for any offence involving:
  - (a) Violence against a person; or
  - (b) Dishonest or criminal activity
- 2 Have you ever been convicted under the Australian Rules of Racing or rules of any Principal Racing Authority?

If any applicant should answer "yes" to any of these questions, the applicant must notify the Registrar in writing prior to the lodgment of the application. Such notification must include full details of the conduct in question. The Registrar will advise in writing within seven days of having received such notification. That advice should be retained by the applicant as evidence that the appropriate notification has been made. You are advised that should it be established that an individual has neglected or failed to truthfully respond to questions 1(a), 1(b), or 2, this application and any other application concerning the individual may be refused or cancelled at any time. If the notification has previously been advised to the Registrar, there is no need to do so again unless subsequent charges or convictions have been recorded against you since you submitted said notification to the Registrar.

A Principal Racing Authority or the Stewards may punish any person who makes any false or misleading statement or declaration in respect of any matter in connection with the administration or control of racing under AR175(gg). Inaccuracies or omissions may also lead to penalties and refusal or cancellation of the Registration of this horse (AR17)

The Registrar of Racehorses collects information about you when you submit this form to lease a racehorse. The Registrar will use that information to assess your application and if approved, your ongoing status as an owner. To do that, the Registrar may disclose your information to Principal Racing Authorities. On occasion, the Registrar may disclose names and contact details to racing organisations including race clubs and owners or breeders associations. However, this information will only be disclosed when the Registrar is of the opinion that such communication may be of interest or benefit to you. If you do want to receive such communication, you may advise the Registrar of that fact at any time. You can gain access to and request changes be made to your information held by the Registrar at any time. You do not have to supply the information requested, but if the information is not provided the Registrar may refuse to accept your application.
