Robert Bradshaw's training trifecta

Friday, October 9 saw trainer Robert Bradshaw complete a rare race feat by trifecting race five, the Gold Property Group Class 4 Handicap 2200m. His runners were Prince Telesto (8/1) ridden by Jim Byrne placing first, Real World (7/1) ridden by Ken Pope in second, and Bear Hug (9/1) ridden by Kenne Sawyers completing the treble.

The race favourite and topweight, La Marianne, looked sure to spoil the party and passed Bear Hug halfway down the straight, but the big weight eventually told and Bear Hug held on to run third. The stable trifecta paid \$300.80.

Congratulations must go to Robert, after only recently establishing a training set-up in Caloundra. ●

The triplets return to scale, led by Prince Telesto and Jim Byrne, with only a different coloured cap separating the treble Trackside Photography

RAAS Management Raceday

In Rehearsal stormed down the outside from last on the turn to get up and give Lorraine McLachlan her first outright win in her own right on Sunday, October 11. In Rehearsal was transferred to Lorraine following the passing of husband Bruce in June 2009.

We hope for many more wins out of Lorraine's stable in the near future.

RAAS Management Raceday was the catalyst for another milestone. Jason Holder tasted victory in his first ride back at Courbould Park, just nine months after being forced to the

sideline due to a serious injury sustained at Eagle Farm after winning the Magic Millions on Sunshine Coast local, Phelan Ready.

Jason's mount, Tierqualo trained by Kelly Doughty, was very impressive and warranted the punters' faith being backed in to 4/1. ●

Siena Catholic Schools Raceday

Stathi Katsidis dominated the Siena Catholic Schools Raceday on Sunday, October 18 with four winners.

Stathi has made a remarkable comeback to riding over the past couple of months. His winners on the day included Diago (9/1) for Liam Birchley;

Poised for Success (2/1) for John Wallace; Lucky Omens (4/1) for Bryan Guy; and locally owned Upilio (4/1) who is also trained by Liam Birchley.

It was great to see Upilio return to the winners circle for local owners Travis and Lisa Schultz, Mark Bray, Michael Callow and Michael and

Ann Grant-Taylor.

Jockey Lyall Appo scored on Bee Jay Senza, trained by Vic Heading, at the odds of 101/1. Lyall returned to scale and deservedly put on a performance equal to any Melbourne Cup winning jockey. ●

Sunshine Coast Turf Club Raceday

Craiglea Charm was the winner of the Select Bathroom and Plumbing Centre Open Handicap 1200m on Sunday, October

25. Amazingly she was the only horse in the field of seven not to start at single figure odds. This gave popular jockey Lyall Appo

another long-priced winner to write home about and did it in style, leading all the way on the Peter Fleming-trained galloper. ●
